the children are at the heart of everything we do

23.03.20

Dear Parents,

Re: School Closures

As you are aware the IOM Government has taken the decision to close Island schools from today.

There will be nine primary schools that will stay open for vulnerable children and for those children of Key Workers. I urge parents of Key Workers to only send your child(ren) to school if you are unable to find any alternative, safe child care. The Key Workers list for those people who can obtain school places for their children is attached below.

In order to plan for Tuesday, if you are a Key Worker who needs this service and you intend on sending your child into a school on Tuesday, I ask that you please email the school's email address enquiries@stmarys.sch.im **by 12 noon (Monday 23 March)** and state the following:

- Name(s) of children
- Year Group
- Key Worker - occupation / job title
- Up to date contact details
- School Hub Attending

I will pass the information on to the relevant school.

For further important queries parents are advised to call DESC on 686150.

Yours sincerely,

Mrs D Martin
