

Home Learning at St Mary's R.C. Primary School

Expectation

When school is closed children will still be expected to carry on their learning at home.

How can children access home learning?

Please go to <https://stmarys.sch.im>

Go to **classes** in the header box and click on your child's class page.

There you will find home learning.

1A - home learning - 23.3.20 will contain the first weeks tasks.

Each Monday morning a new set of tasks will be posted on the page. These will be on by 9.30am every Monday of term time.

The task will be ordered alphabetically to make it easier to find each weeks tasks.

Work can be done in books or on a device.

How will school communicate with parents over the closure?

Parents will be emailed with any notices etc. If parents do not have email please let school know. If parents have no internet access, please let us know.

All emails can be sent to stmarysenquiries@sch.im

This inbox will be checked regularly throughout the day. Any emails to specific teachers will be forwarded to them.

Parents can text the school number also.

If parents need to get in touch with Mrs Martin directly please email: headteacher@stmarys.sch.im

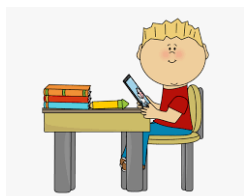

Tips and Advice for Home Learning

Try to keep a routine similar to the school day

Any concerns please get in touch with us - we are here to help.

Designate a space to 'work' at which has everything they need.

Talk to your child about their learning.
