Dear Parents

Would you like your child to take part in award-winning La Jolie Ronde French lessons at school at lunchtime, once a week?

French is not part of the primary school curriculum on the Isle of Man and therefore there is a charge for lessons. If you would like your child to take part, the cost is £4.95 per lesson, per child, payable termly in advance. There is a compulsory book which supports the course and which includes exclusive access to an app containing French songs to help with learning - the cost to cover those is £20.

The children are taught once per week, during lunchtime, in small classes with children of their own age. The lessons last for 30 minutes, so the children still have time to eat their lunch.

The La Jolie Ronde programme is designed to enable your child to reach an excellent level of French, to encourage a positive attitude to language-learning and to provide a strong foundation for secondary school. Above all, the La Jolie Ronde classes are a lot of fun!

Places are limited to 12 per class. In the event that minimum numbers are not met and/or tutors are not available, it will not be possible to continue the classes.

If you are interested in French lessons for your child, **please either phone or text or email me with the details requested below or return the slip below by post (address above).** I will then contact you by email. **Please don't hand the slip in at the school office.** Please feel free to email me if you have any questions or phone me on 663124/430665.

Merci beaucoup! À bientôt!
