

Year 1/2 Class Letter Autumn 2

Welcome back!

Welcome back, we hope you had a great half-term break. We are looking forward to a busy half-term on the run up to Christmas.

Key dates

Looking ahead, our first school trip will be on Thursday 2nd November to the IOM art society where children will make their own clay portrait.

Our KSI Halloween disco will take place on Friday 3rd November. Our Christmas concert will take place on the 14th and 15th December at 10am.

Uniform/ Coats

As the weather is turning colder, please ensure your child brings a named coat to school everyday. Please ensure all uniform is named as lost property is growing.

New Children

A big welcome to Daniella who has joined St Nicholas and Ariel who has joined St Francis.

Reading Reminder

Please can you remind your children when they need to change their reading books. Children new given the opportunity to change them every morning. If there are any family members who would be able to spare an afternoon or morning to come in and listen to readers, we would be most grateful.

Snacks

Please ensure your child is bringing a healthy snack such as fresh or dried fruit or a healthy biscuit.

Some of the things we have been up to in Year 1/2!

Project

We will be continuing with our project this half-term. It is great to see how much children have been enjoying the 'Create' project so far.

Science week 1

In our final week of Autumn 1, we had our first science week. We focused on forces and how we can use more force to slow down or speed up a push or a pull. The children made fantastic predictions and recorded their results in a table.

Science week 2

We have kick started Autumn 2 with our second science week.

Year 2 have focused on electricity. Looking at what items use electricity, how electricity is made and how we can be safe around electrical items. Year 1 have been learning the different sources of sound and have learnt that sound vibration travels through the air to our ears.
