Classes

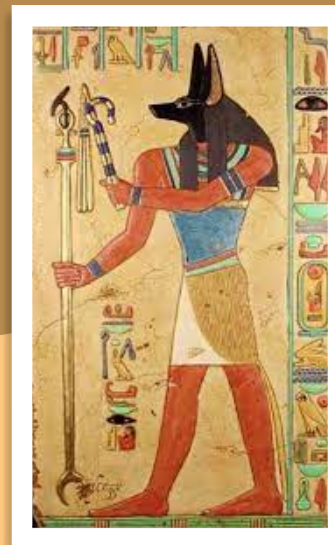

Welcome back to Spring term 2!
We hope that you've all had a restful weeks break.

This half term, we are continuing with our Discover Project. So far, we've explored a range of primary and secondary resources while looking at the Egyptians story of Creation. We've learnt all about the God Anubis.

Reading
We seem to have lost a bit of motivation towards our Individual Reading and Guided Reading tasks. Please encourage your child to read at home at least once a week. This can be done independently!

School Uniform

Please ensure your child has a full school uniform. This includes a tie. We have quite a few children currently borrowing a tie the from the school office.

New Children
We'd like to welcome Evelyn to St Philomena.

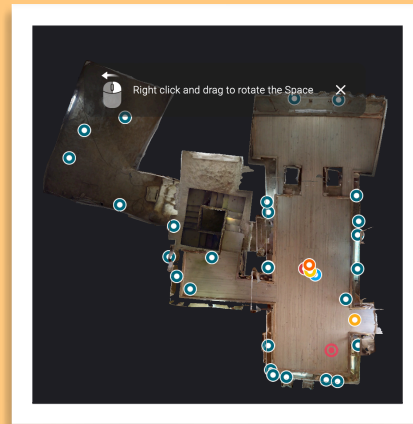

WELCOME

HOW DO OUR BELIEFS DRIVE OUR ACTIONS?

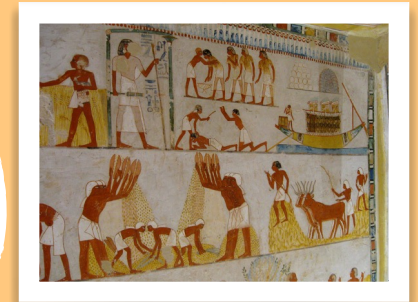

Y4/5 SPRING 2 DISCOVER

CONCEPTS: FAITH, INFLUENCE, FEAR.

To jump back into our Discover project, we'll be taking a virtual walk through the Ancient Egyptians Tombs.

Then, we'll dig deeper into Egyptian life to consider the societal hierarchy. Where do the Gods and Goddesses come within this hierarchy?

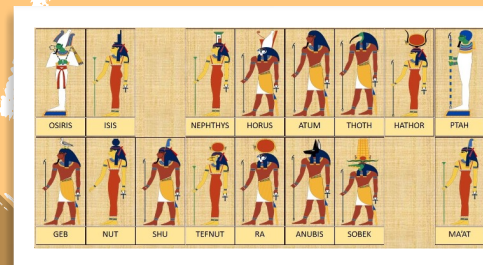

Key knowledge:

Evidence - A piece of proof that shows that something is true.

A reliable source - Where you can trust the information that the source provides. (You can rely on the information provided because it is from a credible source).

Next, we'll consider the reliability of the 'evidence' left behind by the Egyptians. How do we know that we can trust information given?

Finally, we'll further research and explore a range of the most feared Gods/Goddesses and consider what would happen, if as an Egyptian, you didn't worship them.
