

Spring Letter

We hope you all had a wonderful Christmas, and we are so excited for another fantastic term in Reception!

Project

Our Big Question this term will be “What would life be like without stories?” and our concepts are **Tradition**, **Belief** and **Change**. We will be focusing our learning around lots of traditional tales, and exploring the importance of stories to individuals and communities.

Reading

Please continue to read with your child as much as possible, and write a comment in their reading log. You can also support your child by practicing any new sounds at home. Library books will continue to be exchanged weekly.

Snack

A gentle reminder that a nut-free, labelled snack can be provided for morning play. Please can they not be placed in lunchboxes, and instead in a small container, to ensure we have space for all.

Trips

This half term, we will be going on a trip to the Family Library. We will also be visiting the Fairy Glen next half term to spark our imagination for our own stories!

Dates to be confirmed.

Clothing

Please label all clothing and belongings clearly with your child's name. While we always try our best to reunite lost belongings, we aren't able to spend too much time searching, so your support really helps!

Website

We will continue to update our class pages as often as possible so you can keep up to date with our learning - especially for the days when your child says "I did nothing today!"

PE

PE will continue to take place every Friday, and kits will remain in school until the end of each half term. We are so proud of the amazing progress Reception has made in changing independently - well done everyone!
