

Our Create Project in Year 3 is...

WHAT MAKES SOMETHING BEAUTIFUL?

Costume Design

Using our Concepts and Big Ideas, we will be exploring the world of costume design and looking deeper into what goes into creating these wonderful pieces of art. We will analyse and compare the methods, approaches and techniques of costume designers and use this in our work. By the end of the project, we hope to have created our very own 'mood board' for our first costume design.

Our Concepts:

Individuality 

 Creativity

Beauty 

Our Big Ideas:

Throughout our Create Project, we will be looking at the following elements of art:

Line: A distinct straight or curved path that represents a 2D or 3D object.

Shape: An area enclosed by a specific number of straight or closed lines.

Colour: Artists use colour to create emotional impact/feelings. There are three building blocks to colour; hue, value and intensity.

Texture: This is the way something feels or looks. Texture can be created to look how it would feel.
