CAFOD - more details  
to follow

23rd and 25th  
October - Parents  
Evening

We would like to welcome all our children, families and staff to this school year, especially those new to our school community. The building work is progressing well and our new kitchen layout is nearly up and running.

Mr Short has been unable to start back with us this week due to illness, we wish him well and hope he is on the road to recovery.

We would like to offer our congratulations to Miss Allison and Miss Fitzpatrick both of whom got married over the summer holidays. Miss Allison is now Mrs Garrett and Miss Fitzpatrick is now Mrs Henderson.

Further congratulations go to Mrs Henderson and her new husband who welcomed a healthy baby boy during the summer holidays.

We would also like to welcome back Mrs Edwards who is returning from maternity leave.

## SNACK

A reminder to parents of children in Years 1-6 a piece of fruit or a plain biscuit is allowed at snack time. Water bottles can be brought in and milk can be purchased on a termly basis.

Thank you to those who have returned the questionnaire sent out at the end of last year. We are in the process of collating the information. If there are any more please send them into school as soon as possible.

## St Mary's School Website

We would like to draw your attention to our school website <https://stmarys.sch.im>. On the website you will find school information, letters etc along with photos of a variety of activities the children participate in. All school communication can be found on the website.

CAFOD would like to recruit a local volunteer to help children at St Mary's learn about the work we, the community, support with our partners across the world. Would you be able to undergo a short training session and help children understand the problems faced by their peers in less developed communities. Ged Edwards from CAFOD will be in St Mary's School on 21st September and would be happy to discuss this further. Please contact him via the school or [gedwards@cafod.org.uk](mailto:gedwards@cafod.org.uk) or 0151 228 4028. A poster is available on our school website.

If your child requires an inhaler or epipen please ensure they are in school on a daily basis. It is the parents responsibility to check the expiration date on these items.

**School Uniform** - Please ensure school uniform is clearly marked with your child's name and class.

**Pick Up** - Please discuss with your child where they will be collected from at the end of the day.
